Second Big Bass ..... Bob Connelly	20 inches = 4.68 lbs.

Super Bass..... None

Hello Everyone,

The Fayette County reschedule was a success. I want to thank everyone for their due diligence in helping pull it off. We had a beautiful day for fishing. The fish were biting, we had some big weights and 21 limits. Greg Baker had an epic day with 22.22 lbs. to take 1st place. Congrats Greg. Kevin Phillips found some good fish on a new spot for him and took 2nd place. Bobby Woods and Ron Dupree tied for 3rd place. Andy McKinney took 5th place and Derrick Hall was 6th place. I was amazed at how many different techniques were used to catch the fish in this tournament. Our top 6 used Carolina Rigs, Texas Rigs, Wacky Rigs, Crankbaits, Drop Shots and Jigs. It was a great tournament and was an absolute blast. The club is doing great, and we are growing with returning members and new members. Last, but not least. I want to thank Duane Jungerberg for being our tournament director for both Bastrop and Fayette County.
Our next tournament is Lake Athens on March 20th and 21st. I hope to see you there.

Your Friend,

Andy McKinney
